NOTICE

ALL MASTER REGISTRATION APPLICANTS

City of Middletown Codified Ordinances Nos. 1416 1422, 1428 and 1430 require that every person working on the job site be registered to work in the city. They must possess a master, journeyman, or apprentice registration issued by the Division of Building Inspection.

Master registrations can be issued upon:

Providing a State of Ohio Certificate for the trade you desire to become registered in, providing a certificate of insurance in the minimum amount of \$300,000 and paying the required fee of \$200.00.

Plumbing contractors must also provide a bond in the amount of \$10,000.

An underground utility contractor's registration can be issued to contractors working on water and/or sewer lines after taking and passing the City of Middletown exam. The exam fee is \$200.00. After passing the exam the contractor must provide a certificate of insurance in the minimum amount of \$300,000 and a bond in the amount \$10,000.

Journeyman registrations are only issued upon paying the required fee of \$50.00, and passing the examination. A registration can be issued through reciprocity, for journeyman electricians only, if the journeyman exam was taken in Hamilton and the registrant holds an active journeyman license issued by the City of Hamilton

Apprentice registrations can be issued by payment of the required fee of \$20.00. The applicant must fill out an application that is signed by the master registration holder of the company for whom they are working.

Underground utility installer registrations can be issued by payment of the required fee. The applicant must fill out an application that is signed by the master registration holder of the company for whom they are working.

IMPORTANT

Registered apprentices must work under the direct supervision of either a master or journeyman contractor, registered with the City of Middletown.

No more than 3 registered apprentices can be on a job site for each master or journeyman on the site.
