SUCCESS STORIES IN THE MIDDLE

“AI. Neyer Inc. continues to work with the City of Middletown to develop and market the Renaissance District around the Atrium Medical Center. Our East Pointe development will feature the latest in green-building and smart office design and help tell a compelling story about Middletown’s economic resurgence.”

David F. Neyer

President & CEO, AI. Neyer, Inc.

THE KEY POINTS

- East Pointe received a \$2.16 million Job Ready Sites grant from the State of Ohio for the construction of a “Smart Office” park.
- The development will include a 50,000 sq.ft. building, which will be the City’s first LEED Certified building.
- All told, the site will be able to accommodate more than 228,000 sq.ft. of technologically-enabled, environmentally-friendly office space.
