**SUCCESS STORIES IN THE MIDDLE**

"It's been nearly eight years since we first began discussing our vision for a new healthcare campus to meet the needs of the community and the growing I-75 corridor. We were fortunate to have found a partner in the City of Middletown that also understood this potential and was big part of making it a reality."

**Douglas W. McNeill**

*President & CEO, Atrium Medical Center & Middletown Regional Health System*

**THE KEY POINTS**

- Atrium Medical Center is part of the 190-acre Premier Health Campus — Middletown.
- The campus will ultimately include access to service spanning the healthcare continuum.
- More than \$325 million will be invested by the hospital and related providers.
