SUCCESS STORIES IN THE MIDDLE

“The City of Middletown has been a great partner in our efforts to develop and market the project. The Renaissance Professional Village is a signature development in the City’s Renaissance District that will generate hundreds of new jobs over the next several years.”

Andrew Clayton Vecellio

President, Clayton LLC

THE KEY POINTS

- The Professional Village at Renaissance will include more than 228,000 sq.ft. of Class A office space.
- The office condominium development compliments Clayton LLC’s 300-home upscale residential project, The Renaissance.
- At build-out, Clayton LLC will have invested more than \$190 million in Middletown since the company first broke ground in 2004.
