1. I understand that biosolids are the accumulated, treated solids that are separated from water during the wastewater treatment process and that such solids may have an odor resulting from the decomposition of organic matter.

2. I agree and voluntarily consent to the receipt of biosolids.

3. **I agree, expressly and without reservation of any kind, to assume any and all risks associated with loading, transporting and applying biosolids to my property. Further, I agree to waive and release, indemnify, defend and hold harmless the City of Middletown, it's elected and appointed officials, employees and/or agents from any and all liability, including, but not limited to, any and all claims or causes of actions arising from my receipt, loading, transporting, applying and/or use of biosolids.**

4. I agree and understand that I am solely responsible for the results obtained in using biosolids on my property and that the City of Middletown offers no warranty or representation concerning the results obtained from the use of biosolids.

5. I understand that the City of Middletown assumes no liability for damages to lawns, shrubbery or other vegetation or to the health of humans, pets or wildlife resulting from my use of biosolids.

6. I understand that the City of Middletown may at any time and for any reason terminate my access to biosolids.

7. I understand that I may apply biosolids only to property that I personally own and I agree not to offer the biosolids for re-use or re-sale.

8. I hereby acknowledge receipt of a recent analysis of the biosolids (NANI Report) attached hereto.
