CHIEF'S REPORT

- Our COP Unit and Victoria with One City continue to have success building trust and developing relationships with several of the homeless. The temporary warming shelter is now open on Grove St., next to the Hope House.
- Our BWC policy has been approved by the Ohio Collaborative and is now in place.
- We are still waiting on word to see if we will be granted the Violent Crime Reduction (FLOCK cameras), Federal Railroad (RR trespass enforcement OT), Firehouse Subs (motorcycle for patrol unit) and the State Farm Assist (Ring doorbell cameras) grants.
- Our CALEA accreditation on-site will take place this summer.
- We will now be using Lexipol for our online roll call training.
- Chief Birk passed out and discussed the November & December Traffic Stop Statistic reports and the Extended Speed Summary report. Speed trailers have proven to be a great tool when placed in areas with high complaints of speeding.
- We are waiting on the Court for funding to add another traffic officer to crack down on traffic violations.

- Officer Owens reported that Officer Birch and herself have helped over 30 homeless through outreach since last June. They have been going out to the homeless camps with Victoria on Wednesdays and Da Coach on Fridays.
- We will be hosting the K9 Regionals here this year. They will take place Sunday, May 15th through Thursday, May 19th. There will be a public demo held at Berachah Church on Wednesday, May 18th.
- Sgt. Nelson gave the Investigation Division report. Due to a loophole in the system, Delta 8 (.03 hemp) is currently legally allowed to be sold in Ohio. He also urged everyone not to leave their cars running to warm them up.
- Casting with a Cop will take place Saturday, May 14th at 8am at the Smith Park Pond. Jeep-N-Eats will be on Saturday, June 4th.
- The group voted Jim Stabler to serve as Chairman of the Board. Paul Gomia and Jelani Johnson will serve as Co-Vice Chairmen for the upcoming term.
