

TIME-LIMITED BODY ART/PIERCING APPLICATION AND GUIDELINES

Time-Limited Body Art/Piercing Application and Guidelines

Licensing Process

1. Read this entire packet.
2. Complete the License Application form. It is very important that you correctly write your operation start and end times!
3. Complete the License Application Drawing.
4. Submit (above) items 2 and 3 with the appropriate license fee at least FIVE (5) days prior to your event. We suggest you make copies of your application questionnaire forms and drawing for use at your event.
5. The City of Middletown Health Department will either approve the application or contact you with questions, comments, recommendations, or concerns.
6. An inspection of the time-limited body art operation is required at the start of your event prior to you operating. Please make sure you are completely set up and ready for the inspection at the scheduled time.
7. Upon successful completion of the inspection you will be issued the time-limited body art operation license. The license must be posted in plain view for customers.

This packet is designed to be a guide highlighting many important issues when conducting a time-limited body art operation. However, the information contained within this packet does not contain all of the applicable rules for time-limited body art operations. This packet is a short summary of the Ohio Administrative code for Body Art. This code can be found in the Ohio Administrative Code Chapter 3701-9 and is available at www.odh.ohio.gov. Any and all rules found in this Chapter are applicable to time-limited body art operations and will be enforced.
