Lab testing
Results typically take 2-3 days.³

Rapid-result testing
Get results the same day.⁴
Availability is limited.

Get tested

Tests are limited to eligible individuals in select states. Tests vary by location.

CVS
pharmacy

Is your employer or university sponsoring a CVS testing program and paying for your test? Schedule now.

We are accepting new patients in both Franklin and Middletown.

[Click here](#) to pre-register as a *new patient* or *request appointments for existing patients*.

Centerpoint Health requires everyone **wear a face covering**, and **visitors are limited** to one healthy adult per child. If you are an adult and must be accompanied to your visit, please notify us when you make your appointment.

Centerpoint offers **curbside COVID-19 testing**:

Middletown, 231 N Breiel Blvd, on Mondays, Tuesdays, Wednesdays, and Fridays

Franklin, 333 Conover Dr Ste B, on Thursdays

We provide **televisits for COVID-19 testing**; a *smart phone, tablet, or computer* is required to access the televisit. [Click here to schedule.](#) You'll receive a text message or email with further instructions about how to access your televisit.

Please bring an **identification card** and **insurance information** to all appointments.

The Norwood City School District, in partnership with Centerpoint Health, is currently offering telehealth services for Norwood City students who are ill. To receive care, please download and complete the **Norwood SBHC Consent Packet**. Email the packet back to registration@centerpointhealth.org or send the signed forms with your child to school. Our on-site health center at Norwood High School will open to the community in 2021 for all family health services, providing a convenient way to get quality healthcare at your child's school.
