EDUCATION PRESENTATION- COVID Vaccine
Ms. Phillips Carter updated the board on vaccination efforts. She stated that the number one question the health department is receiving is, “When is it my turn?”. Ms. Phillips Carter stated that CMHD is following the state’s phased tier plan. During phase 1A, the CMHD has vaccinated EMS, doctors not affiliated with a provider, eye doctors, dentists, hospice, group homes, DD, and pharmacies. As we do not waste any vaccines, additional clinics have been created. A list is of individuals is kept to accomplish this. If any doses remain, we make sure to get them in an arm.
Ms. Phillips Carter informed the board that phase 1B, beginning on January 18th, will be comprised of seniors aged 80 and older. The following week will be seniors aged 75 and older. Each week the age limit will decrease by increments of five years, until all seniors aged 65 and older have been given the opportunity to receive a vaccine.

Ms. Phillips Carter stated that CMHD has vaccinated approximately 450 individuals at this time. There will be clinics held on Monday, Wednesday, and Thursday of this week. The IT department is currently working on developing a website for all residents to be able to pre-register online to receive their vaccine. The website will also provide a list of upcoming clinic opportunities, as well as vaccine information and fact sheets.

Ms. Phillips Carter informed the board that along with senior citizens, schools will be included in phase 1B. Ms. Phillips Carter has a meeting scheduled with Middletown City School District superintendent, Marlon Styles, and Dr. Brickey of Atrium to discuss vaccination opportunities.

Director of Nursing
Ms. Corbin informed the board that there was a spike in the number of COVID cases reported for the month of December. She states that 39% of all 2020 cases were reported in December. Holiday gatherings may have played a significant role in this increase. Ms. Corbin states that she is hopeful that we will start to see a decline in the number of new cases reported now that we have begun vaccination efforts. Ms. Corbin states that the vaccine is fairly delicate and must be maintained at certain temperatures. CMHD is in the process of obtaining a monitoring system for our vaccine freezer that will send text message, email, and call alerts to health department staff if the temperatures are not within the correct range.

Environmental Director
Ms. Ealy informed the board that CMHD is still collecting sewage business renewal and tattoo license payments. There will not be any late fees assessed to license payments until after July 2021.
Ms. Ealy stated that CMHD will be sending out food license renewal applications the last Friday in January.
Ms. Ealy stated that CMHD has purchased a cargo trailer for point of dispensing (POD) supplies. The trailer was loaded with all supplies the first week of January, and is being stored at the city garage.

ADJOURNMENT
The meeting was adjourned at 8:41AM. The next meeting will be held on February 9, 2021 at 7:30 AM.
