

Ohio's Vaccination Program

- A Phased Approach

During Phase 1 vaccine supply will be limited.

Vaccine administration will be focused on reaching the following groups:

PHASE 1C

■ Individuals who are:

- Living with type 1 diabetes
- Pregnant
- Bone marrow transplant recipients
- Living with ALS

■ Working in:

- Childcare Services
- Funeral Services
- Law Enforcement and Corrections Officers

All available vaccines will be administered to those who choose to receive it.
