

# Middletown Parks Master Plan

## Frequently Asked Questions

### 1. *When is this project happening?*

The Parks Master Plan is anticipated to be complete in Summer 2021. Please refer to the project timeline included at the project website, <https://www.cityofmiddletown.org/541/Parks-Master-Plan>, for more details.

### 2. *When will my park be improved?*

The vision for the Parks Master Plan looks at implementation over the next ten years. Costing for park improvements will be developed in the final phase of the Parks Master Plan. Not all improvements can be done at one time and the City will use the costing information to develop implementation projects and priorities based on funding available.

### 3. *How can I get involved?*

The Parks Master Plan is improved by including a diverse group of voices. There is a public presentation and survey as part of the Exploration Phase that opens up March 31<sup>st</sup>. It can be found on the project's website, <https://www.cityofmiddletown.org/541/Parks-Master-Plan>, more information to follow. To be included in communications, please send an email to [media@cityofmiddletown.org](mailto:media@cityofmiddletown.org).
