

# THE RAW STORY

Some frozen chicken entrees look like they're cooked—but they're not!

**Handle raw frozen chicken — including frozen meals, entrees, and appetizers — the same way you handle raw fresh chicken to prevent foodborne illness:**

**1**

Read the package carefully.

**2**

Follow cooking instructions exactly as written.

**3**

Use a food thermometer to check doneness (165°F for chicken).

**4**

Clean and disinfect any surfaces and utensils that touched the raw product.

**5**

Wash your hands with soap and water after handling the raw product.
