

Enroll in AutoPay or Go Paperless for a Chance to Win a Visa Gift Card!

If you register for Paperless billing and/or enroll in AutoPay before September 30, 2021, you will be automatically entered to win one of five \$100 Visa gift cards.

The City of Middletown, Ohio is launching a sweepstakes for utility customers who enroll in Paperless Billing and/or sign up for AutoPay. Five winners will be chosen, and each awarded a \$100 Visa gift card.

The Sweepstakes, open from July 1 to September 30, is sponsored by Invoice Cloud, a provider of trusted, secure e-payments serving local governments and utilities nationwide. The City of Middletown began using the Invoice Cloud platform in March 2020 to safely view and pay bills online, by text, or by phone.

After a successful year of using Invoice Cloud, the City of Middletown would like to offer their customers an incentive to register for Paperless or AutoPay. Paperless billing benefits the payers as well as the environment by reducing paper waste. The City of Middletown also wants to assist payers in avoiding late fees with the convenient AutoPay feature.

Customers can enroll in paperless billing, register to pay online, and enroll in AutoPay at www.invoicecloud.com/middletownoh. Customers already enrolled in Paperless billing and/or AutoPay will be automatically entered. The official rules of the sweepstakes are available at www.cityofmiddletown.org.
