About Premier Health

Based in Dayton, Ohio, Premier Health (www.premierhealth.com) has a mission to improve the health of the communities it serves. The health system has five hospital locations: Miami Valley Hospital in Dayton with additional inpatient sites at Miami Valley Hospital South in Centerville and Miami Valley Hospital North in Englewood; Atrium Medical Center in Middletown; and Upper Valley Medical Center in Miami County. In addition, the health system offers a wide range of care choices, including virtual care; e-visits; a telestroke network and other telehealth options; an urgent care network; free-standing emergency departments; a large primary and specialty care network; and home health services. Premier Health is the second largest employer in the region and the largest health care system in Southwest Ohio.
