

## Mission Statement

To prevent disease and injury, promote health and wellness, protect the environment and achieve health equity.

## Vision

A healthy, safe and thriving community where all people have equitable access to quality health care, food, housing, transportation, education, employment and recreation.

## Values

Community partnerships, equity, respect, diversity, inclusion, open-mindedness, empathy, innovativeness, dignity and trusted connections.

**Unity:** A healthy community with a strong sense of unity among its members. A desire to belong and help one another is necessary for all to feel safe, connected and invested.

**Respect:** Respect for all people and property is evident when community members feel valued and the physical environment is cared for and appears welcoming to others. Differences should be expected and embraced.

**Healthy Lifestyle:** Adequate opportunities to live a healthy lifestyle include access to comprehensive wellness and preventative health care, substance abuse prevention and treatment, nutritious foods, safe neighborhoods, parks, and trails, and recreational activities for all ages and physical abilities.

**Kindness:** Regular kind and caring interactions among members are essential in order to foster compassion and empathy. **Education:** Access to health information and opportunities for education improves awareness of healthy behaviors, health

*\*Ohio Uniform Food Safety Code requires level one certification in food protection training for all food service operations and retail food establishments. At least one person in charge per shift is required. A person in charge is defined as the individual present at the facility who is responsible for the operation at the time of inspection.*
