Definitions to Know

Section 3 Resident – 1) a public housing resident; or 2) a low or very low-income person residing in the metropolitan area or Non-metropolitan County in which the Section 3 covered assistance is expended.

Business Concern – a business entity formed in accordance with State law, and which is licensed under State, county or municipal law to engage in the type of business activity for which it was formed which is:
   1) 51 percent or more owned by Section 3 residents; or
   2) At least 30 percent of its full time employees include persons that are currently Section 3 residents, or within three years of the date of first employment with the business concern were Section 3 residents; or
   3) Provides evidence, as required, of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications in the above two paragraphs.

Low-income person – families (including single persons) whose incomes do not exceed 80 percent of the median income for the area, as determined by the Secretary of the U.S. Housing and Urban Development, with adjustments for smaller and larger families. However, the Secretary may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families.

Very low-income person – families (including single persons) whose income do not exceed 50 percent of the median family income for the area, as determined by the Secretary of HUD with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower then 50 per centum of median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.
FAQ’s

What Needs Done If the Contractor Qualifies as a Business Concern?

If qualified by ownership or employees of company:

1.) Complete Forms 1, 2, & 3 where applicable
2.) Form 4 must be completed by each employed Section 3 resident

If qualified by intending to subcontract 25% of contract dollars to Business Concerns:

1.) If Contractor intends to qualify as a Business Concern by subcontracting 25% of the dollars awarded, then Form 1 must be completed along with Form 5 (and other applicable forms) demonstrating that commitment.

The above Forms may be submitted at or prior to bid opening. Certifications for Business Concerns are valid for one year and must be renewed annually. However, Business Concerns that qualify as such by the 25% subcontract intention are only certified for the period of the awarded contract.
Can a Contractor That Does Not Qualify as a Business Concern Bid Section 3 Projects?

Yes, you may still bid the project. However, you will not receive any points (see next page). You must still submit Form 5 and Tables A, B, and C with your bid (see below).

How do I bid?

1.) Submit Form 5 describing your intent to apply Section 3 requirements. Applying Section 3 can be accomplished:
   a. If the job requires new employment, by reaching out to Section 3 residents
   b. If the job does NOT require new employment, but you are able to offer training, by reaching out to Section 3 residents for training opportunities.
   c. If you plan to use subcontractors, by reaching out to Section 3 residents or Business Concerns.

2.) Submit Tables A, B, and C (with “Estimate” box checked).

3.) If Section 3 is not feasible at time of bid, use Table C to explain why it was not feasible. You must still submit all 3 Tables, but you will receive a 0 ranking score. However, you may still bid the project.

4.) Review Ranking Criteria (following page) to determine the best strategy to achieve the most points.

5.) Award of contract is given to the lowest bidder with the highest Section 3 ranking score providing the bid is within 10% or $1,000 (whichever is less) of the lowest overall bid.

Evaluation of Section 3 Proposals by Priority Ranking

Section 3 proposals will be evaluated by the Community Revitalization Department. Each Section 3 proposal will be separately evaluated. Grading of any criterion will be done in five (5) steps. The following ranking criteria only apply if the bidder with a higher Section 3 ranking (as determined below) is within 10% or $1,000 (whichever is less) of the lowest bid. The contractor must complete Tables A, B, and C if he/she cannot complete any of the items below. The evaluation criteria and points available are as follows:

50 Available Points for Section 3 ranking:

1. Section 3 Economic Opportunities Plan for Low and Very Low residents of the Project area:
   
   **0 available points**
   
   This is mandatory for any Section 3 project. Therefore, zero (0) points will be awarded to the Bidder who has an existing Section 3 Plan or who commits to start and use such a plan on the project (See Contractor Section 3 Economic Opportunities Plan – Form 5). Any contractor failing to provide this requirement will be excluded from the bid.

Residents and contractors must certify and submit evidence that they are a Section 3 resident (Form 4) or Business Concern (as defined in Part 135.5) (Forms 1, 2, & 3) in the project area. Tables A, B, and C must be completed and returned with the bid package.

   A “Section 3 resident” is: 1) a public housing resident; or 2) a low- or very low-income person residing in the metropolitan area or Non-metropolitan County in which the Section 3 covered assistance is expended.

Section 3 Clause

The Section 3 Contract Clause specifies the requirements for contractors hired for Section 3 covered projects. It must be included in all Section 3 covered contracts. All Section 3 covered contracts shall include the following clause (referred to as the Section 3 Clause):

A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD’s regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization representative, workers with which the contractor has a collective bargaining agreement, or other understanding, if any, a notice advising the labor organization or workers’ representative of the contractor’s commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number of job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each, the name and location of the person(s) taking applications for each of the positions, and the anticipated date the work shall begin.

D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor’s obligations under 24 CFR part 135.
F. Noncompliance with HUD’s regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with Section 3 covered Indian Housing Assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).
Contractor Attempted to Hire Section 3 Residents But Was Unsuccessful. Is the Contractor In Trouble?

No.
As long as the attempt was made and documented to hire Section 3 Residents or Business Concerns and the contractor was unable to comply, there are no consequences. The contractor must still submit all proper documentation at time of final invoice and in Table C explain what he or she did to attempt to meet the goals and explain why it could not be obtained.

However, if the contractor did not make any documented attempt, then the following penalties apply:

1. First instance of non-compliance = written warning
2. Second instance of non-compliance = monetary penalty to be spelled out in the contract
3. Third instance of non-compliance = debarment from future projects
4. Egregious action of non-compliance = immediate monetary penalty and/or debarment from future projects and termination of existing contract

Contractor is a Business Concern by Means of Committing to Subcontract 25% of the Contract Dollars to a Business Concern. Contractor has Several Section 3 Contracts Going at the Same Time. Can the Contractor have 0% Subcontracted on One Contract and 50% on the Other to Keep in Compliance with the Business Concern Commitment?

No.
Under the City of Middletown guidelines, the 25% requirement will be applied to each assigned contract under a Section 3 project.
Contractor is a Business Concern by Means of Committing to Subcontract 25% of Dollars to a Business Concern. Contractor Attempted But Was Not Able to Comply. Is the Contractor Able to Be Considered a Business Concern on the Next Bid if He Makes the Same Commitment?

Maybe.

It will depend on the reasons given in Table C. If the Contractor simply decided not to subcontract services despite saying he would in the Section 3 bid, then No, he shall not be considered a Business Concern on the next bid.

However, if the documented attempt was made to subcontract to Business Concerns and the contractor was not able to comply, then the steps taken to comply must be documented on Table C. In this case, the contractor would be allowed to be considered a Business Concern on the next bid if he makes the same commitment.
